

Access to cottage

As we need time to service the cottages between the previous guests' latest departure time (10 am) and your arrival, your cottage is available to any time after 3pm on the Saturday.

Normally we greet our guests and hand over the key in person. Any other arrangement will be discussed and agreed with you.

Please telephone us preferably on the Thursday or Friday to confirm your arrival time and discuss any last minute details.

We look forward to meeting you

Best wishes

Tony Flisch
